

# The 16<sup>th</sup> Trends in Nanotechnology International Conference (TNT 2015) unveils 25 Keynote Speakers

Call for abstracts open

Madrid (Spain): April 27, 2015

Toulouse (France) will host the 16<sup>th</sup> edition of the Trends in Nanotechnology International Conference ([TNT 2015](#)) from the 07<sup>th</sup> until the 11<sup>th</sup> of September 2015. This high-level scientific meeting aims to present a broad range of current research in Nanoscience and Nanotechnology as well as related policies or other kind of initiatives. TNT events have demonstrated that they are particularly effective in transmitting information and establishing contacts among workers in this field.

The TNT 2015 structure will keep the fundamental features of the previous editions, providing a unique opportunity for broad interaction.

Currently, 25 keynote [speakers](#) from all over the world are confirmed covering different fields of Nanotechnology.

**Jordi Arbiol** (ICN2, Spain)

**Adrian Bachtold** (ICFO, Spain)

**Laurent Baraton** (GDF Suez, France)

**Ofra Benny** (The Hebrew University, Israel)

**Kenneth A. Dawson** (CBNI-University Colleague Dublin, Ireland)

**Luisa De Cola** (ISIS/Université de Strasbourg, France)

**Xinliang Feng** (Dresden University of Technology, Germany)

**Ehud Gazit** (Tel Aviv University, Israel)

**Jean-Jacques Greffet** (Institut d'Optique Graduate School, France)

**Cyrus Hirjibehedin** (University College London, UK)

**Christian Joachim** (CEMES/CNRS, France)

**Philippe Leclere** (Université de Mons, Belgium)

**Luis M. Liz-Marzán** (CIC biomaGUNE, Spain)

**Xavier Marie** (INSA-Toulouse, France)

**Vittorio Pellegrini** (IIT, Italy)

**Bernard Plaçais** (LPA/ENS, France)

**Danny Porath** (The Hebrew University, Israel)

**Federico Rosei** (INRS-EMT, Univ. du Québec, Canada)

**Clément Sanchez** (Université Pierre et Marie Curie, France)

**Olivier Sandre** (Université de Bordeaux/CNRS/Bordeaux-INP ENSCBP, France)

**Patrice Simon** (Université Paul Sabatier, France)

**Paolo Vavassori** (CIC nanogune, Spain)

**Kurt Vestergaard Gothelf** (iNANO/Aarhus University, Denmark)

**Yutaka Wakayama** (MANA / NIMS, Japan)

**Di Wei** (Nokia-TECH/Cambridge, UK)

TNT 2015 will again dedicate an entire day to Graphene & 2D materials (September 08) in order to attract global participant's intent on sharing, exchanging and exploring new avenues of graphene-related scientific and commercial developments.

As in previous editions, an exhibition will be set where companies, research centers and universities are expected to showcase their products, services and expertise.

The call for abstracts is still open and the deadline is May 29, 2015 and the early bird registration fee June 22, 2015.

TNT conference provides an ideal venue for industrial, academic and governmental organizations to share common objectives and drive the commercialisation of nanotechnology discoveries.
